The Moxie Strings

The Moxie Strings' polished, high-energy show and unique sound are redefining strings' in contemporary music, and have made the band one of the country's most promising instrumental acts. The band composes the majority of their pieces and arranges melodies from many traditions, resulting in a genre-blurring blend of ear-catching melodies and foot-stomping, rock-influenced rhythms. Alison performs on a newly-invented, electric cello, and Diana on a contemporary 5-string violin, both through a variety of audio effects pedals. Fritz performs on a mix of world percussionist instruments.

Song of the Lakes

Song of the Lakes has been repeatedly voted "Northern Michigan's Best Folk Artist." Their high energy performances combine Celtic and Scandinavian traditions with Michigan maritime history in a show that weaves humor and lore, and inspires hand-clapping audience participation.
